

2018 – 2019 Special Education Transportation Cancellation Form

Any changes to specialized transportation impacts service to other special needs students. If you would like to cancel your student’s transportation please complete the following information. These procedures are necessary to help our department accommodate our students who require “specialized” transportation with a safe, timely, and efficient ride to and from school. If you would like to re-start Special Needs transportation please re-submit a Special Education Transportation and Emergency Information form; any change requires a minimum of **three (3) school days** for the change to be implemented. If you have any questions, feel free to call us at (425) 408-7900.
