

Coulter Grove Supply Lists 2018-2019

Students should purchase a lock for their lockers, as each student will be personally responsible for keeping up with his/her device. It is highly recommended that students purchase a CGIS lock from the school bookstore to ensure his/her combination is never lost. Students MAY bring their own lock. However, it will be cut off if the student loses the key or combination, and CGIS will not be responsible for its replacement.
