

LICENSURE INFORMATION

Effective July 1, 2013, the state changed its procedure for issuing new and renewed licenses. They will not send any more licenses to your home. You will now need to follow the progress of your license through the state website, www.ksde.org. Once you see the "Print License" button appear, this will indicate that your new license has been issued. You will be responsible for printing your license and letting HR know of its issuance. Please email, intercampus mail or deliver in person the new license to Lynda Hirsekorn at McEachen.
