

Driver Training Education

The District may offer a Driver Training Education Program when staffing and funding are available. Any such program will be conducted in compliance with all requirements in the Idaho Standards for Public school Driver Education and Training.

Anyone residing in the District and meeting requirements of admission to the course, irrespective of whether they are enrolled in the district are eligible to enroll in the District's drivers training program. Dual enrollment regulations will be used as a guideline. Foreign exchange students will only be considered for admission if they have met the requirements of their exchange program and space is available. Such program, in the discretion of the Board, may be conducted after school hours, on Saturdays or during regular school vacation periods. The District may offer a joint driver training program with other districts.

The purpose of the program is to introduce students to a course of study that leads to the eventual development of skills appropriate for a licensed driver. The traffic education program is designed to meet the criteria established by the State Department of Education.
