

Parent-Teacher Conferences

Parent-Teacher Conferences have been adopted by the District as a means of reporting student progress to parents in K - 12 grades. These conferences are to serve as a two-way method of face-to-face communication for the benefit of the child. They should not necessarily be confined to reporting, but may be planned for any occasion that will be helpful to the teacher, the child and the parent(s). They should afford an opportunity for sharing information and views designed to promote the welfare of the child.

Schedule for conferences, the number of conferences and general details shall be worked out to meet the needs of the parents, teachers, and students.

All elementary grades will hold parent-teacher conferences following the end of the first quarter. The procedure for conferences will be arranged by the principal. Parent-teacher conferences for high school and junior high school students are encouraged. At least one parent conference per year should be planned for all teachers of elementary students, and a follow-up conference should be held if needed. All conferences shall be held in the school.
