Objectives

Accreditation Standards

It is the intent of the Board of Trustees that standards of accreditation be maintained in all Lakeland schools to ensure quality educational programs and facilities. The Board will comply with all accreditation standards established by the State Board of Education.

High schools within the District shall attain accreditation by use of the most current accreditation standards available from the Northwest Association of Accredited Schools and will maintain membership in the Association.

Elementary schools and junior high schools within the District shall meet the Idaho School Accreditation Standards established by the State Board of Education.

The District will timely submit all accreditation reports to Elementary/Secondary Accreditation Committee.
