

Visitors to the Schools

The District encourages visits by Board members, parents and citizens to all District buildings. Before visiting a school or class, the visitor should make arrangements with the principal at least one day prior to the scheduled visit. The principal will make arrangements with the teacher(s). All visitors shall report to the principal's office upon entering any District building. Conferences should be held outside school hours or during the teacher's conference/prep time.

All visitors may be asked to provide identification and appropriate devices may be used to check for background or previous activities that may place students at risk. Failure to provide appropriate identification or previous offenses that may place students at risk is cause to deny access to school premises.
