

Equipment Usage

School district equipment or furniture is not to be loaned or rented to any agency, public or private, or any individual when the use of such equipment or furniture would not be in a school district building or on school district property without the expressed consent of the Superintendent of Schools.

Outside of school use of school furniture, equipment, or materials by employees is discouraged. However, in special cases, permission may be granted by the building principal who shall maintain check out records and require the user to sign a statement of responsibility.

Use of equipment by anyone other than school personnel must be approved by the Superintendent of Schools.
