

ATHLETICS PROGRAM QUICK FACTS

Boys Golf

Season: Fall (Playoffs in May)

Head Coach: Mike Faris (mfaris@tbcs.org)

Assistant Coach: Jim Pass

Dates and Fees: See the website www.tbcs.org/athletics/registration-fees-and-deadlines

Additional Costs: Include equipment and any team related gear (see below).

Schedule: The boys golf team schedules practices and matches Mondays – Thursdays. Practices are held from 3:45 p.m. – 5:15 p.m. at multiple locations in the area, primarily, Redmond Ridge Golf Course, Willows Run Golf Course, and Twin Rivers Golf Course. The team generally schedules 7-8 regular season matches, which are played after school. Home matches usually start at 4:00 p.m. and are played at Redmond Ridge Golf Course. Away games usually involve early dismissals from class as we travel.

Transportation: Transportation is not provided for practices. For matches, round trip transportation is available, though players may make their own arrangements.

Uniform, Gear, and Equipment: Required equipment includes a set of clubs, balls, and tees. Golf bags are provided by the school for varsity members. Junior varsity players may use their own golf bags. For all practices and matches, players must wear golf attire, which is a collared shirt and shorts or pants (not jeans). During matches, players wear uniform polos which are ordered at the beginning of the season (included in registration fee). Recommended but not required gear includes a hat, towel, golf shoes, ball mark repair tool, and golf umbrella. Additionally, there are several optional items that players may find helpful including a rangefinder, hand warmers, pushcart, rain jacket, rain gloves, rain shoes, and rain pants.

How Matches Are Played: In the Emerald City League, six players are involved in a varsity match of nine holes, and the best four scores are counted against the other school to determine the winning team. The team may bring 6-8 match-ready players to away matches. Additional players beyond six are counted as junior varsity at that match. More players may often play in home matches. Players not involved in a match will not have practice on match days.

Playoffs: To advance to the League Tournament in October, players must shoot two qualifying scores during regular season league matches. A qualifying score is 13 over par or less. At Redmond Ridge, that would be shooting 48 or less. Qualifying scores count regardless whether the player is playing as varsity or junior varsity. The WIAA allows individual leagues to determine whether the boys golf season is played in the fall or spring, and the Emerald City League plays in the fall up through the League Tournament in October. To allow for leagues who play in the spring, the District and State tournaments are held in May. For players who are advancing, the team resumes practices three weeks before the District Tournament.

Out of Season Activities: Although the boys golf team does not currently participate in official out of season activities, Bear Creek promotes and encourages players to continue to play, take lessons, and participate in tournaments out of season through the various programs in the region. All golfers should join the Youth on Course membership program allowing juniors age 6-18 to pay \$5 per round at participating courses after a yearly membership fee of \$20.
