

## MONTCLAIR KIMBERLEY ACADEMY

### **B-6T Application for Transportation Reimbursement**

When children do not attend their local public school, many school districts in New Jersey will partially reimburse parents/guardians for their transportation costs. The reimbursement is approximately \$1,000 per child, for aid in lieu of transportation. In order to qualify, you must meet the distance criteria: if your child is in grades K-8, you must live at least 2.0 miles, but no farther than 20 miles, from their MKA campus. Upper School students must live at least 2.5 miles, but no farther than 20 miles from campus.

*Please note that some towns, which have previously reimbursed residents, may now provide their own busing. Check with your local municipality for transportation information.*

If you meet the distance requirement, fill out **THE FORM ON THE NEXT PAGE** and return it to the Main Office of the campus where your student attends MKA. Please submit the form as soon as possible as many towns have a deadline for applications.

*If your home address changes, you will need to complete a **new** B6T application and submit it to your campus office.*

If the distance between your home and MKA **does not** meet the distance requirement, please complete ONLY the **SECTION BELOW** and return it to the Main Office at your child's school.
