

SAA YEARBOOK INFO FOR 8TH GRADE

This is simple!
EVERYTHING IS DUE
August 17
at Back-to-School Day

TURN IN TO Cris Bregman
AT THE YEARBOOK TABLE IN ELLISON HALL

Look at past yearbooks for inspiration.

THERE ARE TWO PLACES IN THE BOOK
WHERE WE WILL USE PHOTOGRAPHS.

SENIOR PAGE

Submit 4-6 baby/childhood photographs of your son for his
senior page.

SENIOR AD

- Although you are in no way obligated, an ad form for the yearbook is attached. Many eighth grade parents and grandparents choose to purchase an ad to honor their son or grandson. If so, please turn in the enclosed/attached completed ad form. See attached form for pricing. Be sure to specify **SENIOR AD** on any photos submitted.
IMPORTANT.....Please send payment with your order form or sign the order form enclosed/attached, so we may charge your SAA account.

THIS IS HOW YOU SEND US PHOTOGRAPHS:

You have two options for submitting your photos for both your son's senior page and for his ad (should you purchase an ad):

#1. The first, and preferred option, is to submit all photos electronically via upload to our DropBox account.

We can accept most photo file types, but prefer to receive .jpg or .tiff images.

Each uploaded photo should be between 500K and 5MB in resolution.

Before uploading your images to our DropBox, you must rename (*Save As a new name*) each photo you plan to submit. The new file name must include your son's last name (and first, if there are multiple students with the same last name in the class) and *whether the photo is intended for his senior page or for his ad*. Examples:

- SmithJoeAd1
- SmithJoeAd2
- SmithJoeSrPage1
- SmithJoeSrPage2

When all of your pictures are renamed, you will simply upload them one by one to our DropBox account.

<https://www.dropbox.com/request/VAkibVcE0zSJUZAWmWkm>

Hit Browse to select the first of the files you choose to upload. It should upload in a matter of seconds, unless it is a very large file.

Repeat this process with the remainder of the photos you plan to send.

- **#2. The second option**, if you are unable to convert your files to digital images, is to submit hard copy photographs to Cris Bregman personally, or there is a yearbook folder in the Main Office.

Label each picture on the back (ballpoint pen only!) with your last name and the words **senior page or ad page**.

SENIOR QUESTIONNAIRE

- **Your son** should thoughtfully complete the enclosed/attached yearbook **Senior Questionnaire**. (Your son's military positions will be filled in later). This must also be turned in to at the yearbook table at Back-to-School Day, August 17, or email it directly to Cris Bregman mostpopulr@aol.com .

PLEASE NOTE:

- **Yearbooks may be ordered online only at www.sa-academy.org/Yearbook**
- **To order a yearbook, you can also follow the Quicklinks on the SAA website.**
- All eighth grade yearbook orders will include a mandatory \$10.00 shipping charge. See enclosed/attached yearbook order form.

- Lifetouch will take your son's eighth grade formal portrait on campus on September 6. Your son will be required to wear his dress blue uniform. He may bring a duffle bag with khakis in it and change after his portrait is taken. Proofs will be available in the Main Office

from September 24-28 for you to make your selection for yearbook publication. Proof selection must be made by September 28, or the *Bluebonnet* Staff will gladly make this selection for you. Lifetouch will mail proofs to you.

- Please mark your calendars for November 9. The traditional senior picture on the steps will be taken at this time. You may purchase this photo from Mrs. Bock at NBock@SA-Academy.org for \$20.00. Orders placed after November 23 will be \$25.00. Please make checks payable to Natalie Bock. (This photo cannot be charged to your account.)
