Our Mission

Preparing students to be effective servants of Christ in contemporary society.

Our Core Values

Students, parents, and staff are made in the image of God and, as a learning community, are committed to fully developing students' gifts in ways that affirm and celebrate each person. Our Christian learning community is committed to excellence, and all students are challenged to develop and use their God-given gifts.

Our Faith Statement

Grand Rapids Christian Schools subscribe to a faith in the triune God--Father, Son, and Holy Spirit.

We profess that:

- Our students will be presented with the basic message of Scripture and the redemption that has been given in Christ
- Our student will be instructed in Scriptural principles that will guide them in mature living - in its spiritual, intellectual, and behavioral dimensions.
- Our students will be encouraged to recognize the greatness and the mercy of our Lord in every area of life.
- Our students will be guided into a true knowledge of God's world, of its history, and its culture.
- Our students will be enabled to assess the values of the age from the perspective of Christ's redemption and rule over all the world.
