

## Admissions Recommendation Form

Applicant Name: \_\_\_\_\_

School: \_\_\_\_\_

Teacher Name: \_\_\_\_\_

Subject (circle one): English Teacher    Math Teacher

I. Please rate this student in the following areas by comparing him or her to all other 8<sup>th</sup> graders you have taught this year.

|                           | Outstanding<br>(Top 2-3%) | Excellent<br>(Top 10%) | Above<br>Average | Average | Below<br>Average | Unobserved |
|---------------------------|---------------------------|------------------------|------------------|---------|------------------|------------|
| Verbal Skills             |                           |                        |                  |         |                  |            |
| Written Skills            |                           |                        |                  |         |                  |            |
| Math Skills               |                           |                        |                  |         |                  |            |
| Study or Work Habits      |                           |                        |                  |         |                  |            |
| Creativity                |                           |                        |                  |         |                  |            |
| Leadership Ability        |                           |                        |                  |         |                  |            |
| Personal Responsibility   |                           |                        |                  |         |                  |            |
| Initiative/Responsibility |                           |                        |                  |         |                  |            |
| Conduct/Discipline        |                           |                        |                  |         |                  |            |
| Relationship to Peers     |                           |                        |                  |         |                  |            |
| Relationship to Adults    |                           |                        |                  |         |                  |            |
| Reaction to Criticism     |                           |                        |                  |         |                  |            |
| Maturity                  |                           |                        |                  |         |                  |            |

II. What high school coursework is this student taking presently? (i.e. Algebra, Foreign Language)

\_\_\_\_\_

III. What honors courses is this student presently taking?

\_\_\_\_\_

IV. Is honors placement recommended and if so, in what areas?

\_\_\_\_\_
