Health Examinations

All employees upon initial employment shall present evidence of having submitted to examination (chest x-ray, skin test, or other tests designated as acceptable by the City of Milford's Health Department) to determine that they are free of active tuberculosis prior to commencing service. This test will be provided by the Milford Health Department without charge.

The Superintendent may require a medical examination of any employee whenever the Superintendent has grounds to believe that the performance of the employee is adversely affected by illness or absenteeism.

(cf. 4118.14/4218.14 - Disabilities)
