Attending: Carol Lindsay, Amanda Keller, Rachelle Boulton, Amy Smallie, Trisha Vogrinec (PTA president)

Chief Paul Child:

Encouraged parents to make up drop off quickly and make only right turns out of the school.

Concerns about Chase lane and 4th west. The SNAP plan identifies best routes for kids to get to school with designated crossing points. Safer for kids to cross at 1200 North than at Chase lane. Lanes are reduced there. The kids are using the flags. They have added more flags to make sure kids have enough.

SAGE results: Davis results have increased or held steady with the exception of half a point in science. At Stewart the percentage of Stewart has grown over district.
