- Math Night will be held on March 8, 2016 at 6:00 PM

- Proficiency Reports, K-2 CRT, and SAGE 3-6

Vonzaa continued the discussion, from November’s meeting, about student proficiency scores and described how teachers are working with individual and small groups of students to provide interventions and re-teaching.

- Math tutors work with 3<sup>rd</sup> -6<sup>th</sup> grade students. They are paid through TrustLands.
- Volunteer STAR Reading tutors work with individual students for Reading under our STAR Reading Coordinators direction. One-half of our coordinator’s salary is paid with TrustLands monies, the other half with an AmeriCorps grant.
- Debbie and Kristy tutor younger students, under our English Language Arts Coordinator, for Reading.

If the Community Council committee does not want to chair their committee, they will need to find a chairperson for our 2016 Tech Trek. The committee decided to have a chairperson and co-chairperson to share responsibilities and hopefully one will be the chairperson next Tech Trek.
