Community Council 3:45 in Vonzaa's office

Attending: Mark Vawdry, Leslie Flowers, Jamie Ormsby, Vonzaa Hewitt, Carol Lindsay, Pauline Bowen, Lisa Allen, Marla Ridges, Ruth Christensen, Robyn Huff

Education: Went over test score data for 2014/15 year. This year the district has given the school their goals and the school teacher teams will come up with a plan for how to meet those goals to improve student proficiency and growth. Our proficiency scores are at and about state and DSD average. Growth scores in Math need to improve. The committee will continue the discussion about proficiency scores in the January council meeting.

Math night will be in March. Teachers will plan Math Night

Safety: Kids need to quit crossing the entrance instead of the cross walk. We will put up some cones and tell kids to go to the cross walk.

Tech Trek final total \$14,898.00 to be spent on projection devices for classrooms. Our projectors are 7-8 years old and are starting to die off rapidly.
