Approved minutes from February 26th Meeting

Reviewed Student Safety vestibule plans. Scheduled to be done by the end of summer.

Discussed SIP goals for 2018-2019 school year

Learning First Planning Day March 27th 8am-1pm to be attended by Mike Volmar, Camie Nielson and Alina Ballard. Final School Improvement Plan to be finished and needs Community Council signatures before next meeting.

Miscellaneous:

Remaining School Lands Trust funds from this year will be used for technology.

Parking safety/flow at Orchard has been improved with teacher directing traffic.

Concerns about people coming onto school property during school hours were discussed. It is a closed campus, and there are signs, but no fence. Fence may be problematic.

No slip-n-slides are allowed at school events anymore, because of the risk of injury.
