

Child Find Obligation Davis School District

Children Birth through 21

Davis School District is responsible for Child Find identification and evaluation for all students suspected of having a disability residing in Davis County. This includes children birth through 21 years of age who are in public schools, private schools, are being home schooled or are kindergarten eligible, but not enrolled. Early identification and intervention is essential to help ensure school success.

If a child is having significant difficulty with vision, hearing, speech, behavior, is experiencing slow development typical for his/her age, physical impairments, or learning difficulty, he/she may be a child with a disability. If there is child attending your school/program whom you suspect may have a disability please contact one of the following so we can initiate the process for referral and assessment.
