

Children Birth through 21

The Davis School District is responsible for Child Find identification and evaluation for all students suspected of having a disability residing in Davis County. This includes children (birth through 21 years of age) who are in public schools, private schools, are being home schooled, or are kindergarten eligible, but not enrolled. Early identification and intervention is essential to help ensure school success.

If your child is having significant difficulty with vision, hearing, speech, behavior, is experiencing slow development typical for his/her age, physical impairments, or learning difficulty, he/she may be a child with a disability. If you suspect your child may have a disability, please contact the following school personnel so we can initiate the process for referral and assessment.

Kindergarten through 21 years of age 801-402-5477 (Cheryl Orme)
