*District 77 Policy 441*

## **441 EVENT WORKERS**

### **I. PURPOSE**

The purpose of this policy is to establish the parameters for ISD 77 employees who work at high school athletic events.

### **II. GENERAL STATEMENT OF POLICY**

Workers at high school events will be selected by the Activities Directors from a list of volunteers. Workers will be paid according to the schedule approved annually by the School Board. All ISD 77 employees will receive free admission to home regular-season athletic events, concerns, academic events, plays and planetarium shows by showing their employee ID badge. An ISD 77 employee may receive an additional adult activity pass for working two (2) events. An employee may earn two (2) additional adult passes for working four (4) events.

Activity passes are valid for athletic events, concerts, academic events, plays and planetarium shows for the entire school year excluding tournaments, invites and post-season play. Staff who sign up and commit to work events during the school year in advance may receive an activity pass prior to working the events.
