

Adopted: February 18, 1997

District 77 Policy 538

Revised: December 19, 2005
March 16, 2015

538 MINNESOTA STATE HIGH SCHOOL LEAGUE (MSHSL) COOPERATIVE SPONSORSHIPS

I. PURPOSE OF POLICY

The purpose of this policy is to establish procedures for consideration of MSHSL cooperative sponsorships with other public or private schools.

II. GENERAL STATEMENT OF POLICY

Participation in Mankato Area Public Schools activity programs is limited to students who attend Mankato Area Public Schools. When a lack of student participation may not support all levels of competition or cause discontinuance of an activity, exceptions to this policy may be considered through an MSHSL Cooperative Sponsorship.

III. PROCEDURES

Any request for the participation of a nonpublic school student, a public school student from another school district or a student from a charter school (regular or online) in a district activity must be made in writing by the chief administrator of the student's home school. This request should be sent to the Superintendent of Schools or the high school activity director. School Board members will be made aware of the request. The Superintendent of Schools will act on the request and notify the requesting school and the Mankato Area Public School Board of the decision.

Final approval for participation in a cooperative sponsorship must be granted by the Big Nine Conference and the Minnesota State High School League.

Each approved request will be reevaluated annually, after the first two years of the agreement.

IV. HOME SCHOOL STUDENTS

For purposes of participation in Minnesota State High School League co-curricular activities, a home school student in the Mankato Area Public Schools attendance area is considered an extension of East or West High School.

Home School students who choose to participate in a Minnesota State High School League extracurricular activity are bound by the rules of the League and the high school at which they participate.

The residence of the student will determine the high school at which the student can participate.

V. NON-CHARTER ONLINE SCHOOL STUDENTS

Non-charter online school students who wish to participate in a Minnesota State High School League extracurricular activity are bound by the rules of the League and will be allowed to participate in high school activities.

The residence of the student in the Mankato Area Public Schools attendance area will determine the high school at which the student can participate
