## **608 INSTRUCTIONAL SERVICES — SPECIAL EDUCATION**

### **I. PURPOSE**

The purpose of this policy is to set forth the position of the school board on the need to provide for special educational services to some students in the school district.

### **II. GENERAL STATEMENT OF POLICY**

The school board recognizes that some students need special education and further recognizes the importance of providing a free appropriate public education and delivery system for students in need of special education.

### **III. RESPONSIBILITIES**

- A. The school board accepts its responsibility to identify, evaluate and provide special education and related services for disabled children who are properly the responsibility of the school district and who meet the criteria to qualify for special education and related services as set forth in Minnesota and federal law.
- B. The school district shall ensure that all qualified disabled children are provided special education and related services which are appropriate to their educational needs.
- C. When such services require or result from interagency cooperation, the school district shall participate in such interagency activities in compliance with applicable federal and state law.
