District 77 Policy 619

619 STUDENT TESTING PROGRAM

I. PURPOSE

The purpose of this policy is to authorize student testing.

II. GENERAL STATEMENT OF POLICY

It shall be the policy of the School Board that a comprehensive testing program be established and maintained in order to evaluate the total program of the school district as well as to provide better counseling service to the students.

III. RESPONSIBILITY

The Superintendent of Schools with assistance from professional staff shall develop standards and procedures to evaluate the educational program and student progress within each area of instruction.
