

Community Council Race Meeting, Wednesday, March 18, 2015

Natalie is in the process of soliciting donations for the 5K. Businesses were divided into sections and others assigned to help with those sections.

Menu: BBQ sandwiches, bagged salads, chips, cookies (Lofthouse), water. Mr. Clark will take care of the BBQ sandwiches and buns, Costco for the bagged salad, salad dressing, large bags of chips from Sams/Costco, cookies from Lofthouse (Mr. Kovary can pick up the cookies at Lofthouse). Natalie will call Sams and Costco. Jenifer will contact Lofthouse for a donation. We will plan on 250 for paper goods.

Mr. Clark will look into setting up mydsd for another payment option. We are going to keep the dinner price at \$3.50 pre-pay and \$4 for the day of the race.

Braxton Kovary will be our eagle scout for the dinner this year. He will contact Smiths after Natalie contacts Sams and Costco to see what they will donate. He will provide the scout labor for serving the dinner.

Mr. Clark will check with Mrs. Gardner to see if they can provide music for the race. Natalie will check with Mr. Carlson to see if he will DJ the raffle and announce the start of the race.

The student council will help put the race packets together. Kaylene will help with that.

Heather will check with Brittany Yeates regarding taking photos for the race.

Packet pickup will be Thursday morning, Thursday afternoon, and Friday morning.

Connie will order the glow sticks – extra for purchase the night of the race.

Striders- Kaylene, can you call them about getting bags, pins, and bibs?
