

Cook Elementary Community Council Minutes

September 17, 2014

Attending: Jenifer Bottoms, Natalie Argyle, Jimmy Jones, Heather Marshall, Kaylene Spraker, Loren Clark.

The minutes from last meeting were approved.

Mr. Clark will send out an email asking for new members to join the council. We are able to have 11 total members. We will also put a sign up sheet at the carnival for those interested in signing up.

The parking lot is running smoothly. Parents are becoming more familiar with the process. There was some concern expressed regarding the crossing guard and how she is crossing the kids diagonally. Ideas were suggested for either having two crossing guards or crossing one street at a time. We would like to take a special treat for the crossing guard we had for years.

New digital marquee is coming next month. Cost was \$12,500. Sign was upgraded from the district. Stones are delivered already. The "C" will be delivered soon.

The track project will begin soon, hopefully to be finished before Halloween. It will be 5' wide, 1/3 mile.

Mock disaster evacuation will be held on October 15, 2014. Mr. Carlsen will be sending home info on putting together the Ziploc bags.

We are hiring a new fifth grade teacher to replace Mrs. Burton. There have been 16 applicants that will be interviewed. We are also replacing the ½ time portion of Mrs. Adams' position.
