

LOCALLY-DEVELOPED CURRICULA

The New Hanover County Board of Education (Board) requires the Instructional Services Department to undertake intensive evaluation of educational research to guide development/revision of local curricula to address the changing needs and diversity of all students, as follows:

- The curricula shall be approved by the Board in accordance with state requirements.
- Recommendations for change(s) shall be submitted to the Assistant Superintendent of Instruction and Academic Accountability will be acted upon by the Board.

The Superintendent shall work with principals and central office administration to develop and implement the educational offerings in the system and ensure the methods for meeting curricula objectives. The objectives shall be evaluated annually for their effectiveness.
