

## **EXTENDED INSTRUCTIONAL PROGRAMS**

The New Hanover County Board of Education (Board) may award credit for promotion and/or graduation through the results of advanced college placement, proficiency testing, correspondence courses, and various other educational endeavors arising from particular life and/or work experiences.

Additionally, the Board may choose to offer courses that extend beyond the normal school day. Such courses shall be designed to provide high school credit to those students who wish to work full or part-time and still continue their education.
