Important Admissions Dates & Information

Transfer Candidates

FOR FALL 2019 ENTRY:

- Fairfield Prep defines a Transfer Applicant as a ninth or tenth grade student currently attending a school where he could continue but who instead wishes to come to Fairfield Prep for his tenth grade or eleventh grade.
- (Note that if you are currently in ninth grade in a school that ends in ninth grade you should apply under the [Applicant for Sophomore Matriculation](#) track).
- Transfer applications for fall 2019 entry are considered on a rolling basis, beginning in early 2019.
- Although a Transfer Applicant is welcome to apply for **financial aid**, be advised that **financial aid is generally not available for transfer applicants**, as available monies are disbursed first to continuing students, incoming freshmen and applicants for sophomore matriculation. Therefore, a transfer applicant should plan to pay for his first year's tuition at Prep in its entirety.
