

AUGUST NEWSLETTER

DSD Custodial

We sincerely appreciate all the hard work each of you have put into cleaning and maintaining our schools and facilities. They look wonderful!

Thanks for all you do!

RENTALS

Some of you requested additional information on rentals, such as the difference between a school sponsored event and a rental. Here is the link with additional information: <https://www.davis.k12.ut.us/Page/60041>

TIME OFF

Vacation use-or-lose needs to be used before October 15. If you need to put in a request for an intern, please do so as soon as possible. Be aware that last year in September and October, we received twice as many request as we could cover. Please plan accordingly.

SQUARE BUFFER CONTRACT

There is now a contract in place for square buffers. The contract is through Right Way Sanitary Supply. The information for the buffers are as follows:

Item # 82004-V

Description: Square Cat 4X20

Price: \$2,495

Square Buffer is the only machine approved for the dry method.

FANS AND FILTERS

This week, all fans and cooling equipment will be enabled to run for the new school year. Please watch for and report any equipment failures. Please also make sure that all filters have been changed.

HIGH DUSTING KITS

We have a two new items available in our loaner equipment. They are high dusting kits, used for the areas in your school that are too high to reach. They work great on hanging banners, exposed air ducts, high ledges, etc. When you reserve the kit, it will be delivered complete with the wand and pig.

UPCOMING DATES
