NO MORE UPRIGHT VACUUMS

Custodial Services Administration, along with several of our schools, have been testing a backpack vacuum tool, called the Turbo Brush. This brush has more power than the standard upright vacuum. It's a phenomenal tool that is cheaper, stronger, and takes less storage than what we have used in the past. It will be available in the Warehouse within two weeks. The sku# is 45140126 and the cost is \$65.75. As your upright vacuums fail, please use this tool as a replacement.

SUMMER OUTSIDE EQUIPMENT

Please go out and start all of your school's outside summer equipment (including, but not limited to: hedge trimmers, leaf blowers, weed eaters, mowers, chainsaws, etc.) within the next two weeks. Please call in a work order for any repairs that are needed as soon as possible.

PARKING LOT SWEEPING

We will begin the parking lot sweeping March 11. As soon as a schedule is available from the contractor, we will send that information out to you via email so you can plan appropriately.

FYI

As we look to replace equipment, please know we will be involving a team of custodians in the review of each machine/tool. We will be looking for products that take less storage, cost less, require less maintenance, and perform as good or better than what we currently have. There will be a large focus placed on machines that can do the job of one or more of our current machines.

CONGRATULATIONS!

Irvin Hansen

We would like to congratulate Irvin Hansen on 38 1/2 years of dedicated service to the Davis School District Custodial Services Department. His retirement party will be held on April 8 at Legacy Junior High School. Please join us in wishing Irvin well in all his future endeavors. We will forward the retirement announcement so no one misses it.

FACILITY ASSESSMENT

Congratulations to Pete Horrocks and the Custodial Team at Centerville Junior High for having a phenomenally clean school.
