

"On behalf of the central office staff, our school board, all employees, and this community, WELCOME to Maryville City Schools. We look forward to working in partnership with your family throughout the months and years ahead. Your child's safety, education, and happiness are our shared mutual priorities. TOGETHER we can help ensure all students are ready for the next steps in life - especially college and career opportunities."

Dr. Mike Winstead
Director of Schools

Device Deployment

Each July, students receive computers for use throughout the coming year. If your student is in grades 4-12, you AND your child must attend deployment. New families should plan to attend on July 28th, between 9am and 11:30am or between 1pm and 3:30pm, at Maryville High School.

Bus Service

If your student rides the bus to and from school each day, you will be interested in UniteGPS - our mobile app for up-to-date bus tracking. This system allows you to see where your bus is and when it will arrive at your stop. You will learn more about setting up an account in the weeks ahead.

Lunch Menus

Parents and students are always anxious to know "what's for lunch." You will find that information on our website at www.Maryville-Schools.org.

District Contact Information

Address: 833 Lawrence Ave.
Maryville, TN 37803
