Need to be Fingerprinted to Work as a Substitute Teacher in a School System?

Under Connecticut General Statute 10-221(d) all substitute teachers of a school district need to be fingerprinted for a criminal history check. Substitute teachers will be continuously employed by such local or regional board of education as long as they are employed at least one day of each school year by such local or regional board of education.

How Can EdAdvance Assist You?

EdAdvance will fingerprint substitute teachers and forward their fingerprint card to the proper state and federal authorities for processing a criminal history check. The substitute teacher's fingerprint results will be shared directly with the school district(s) reflected on their fingerprint card by the State Police Bureau of Identification "SPBI".
