

Eye Building Self-Assessment

NAME _____

DATE _____

I'm finally finished building my eye! This is what is most proud of:

Some new skills and abilities I gained (or improved) during this project include:

How did this project (doing the dissection and then building the eye in MineCraftEdu) help me better learn the structure of the eye?

Some people I helped during the building phase include:

Some people who were personally very helpful to me were:

Some people who quietly demonstrated excellent digital citizenship were:

Thank you for your help and hard work!!!! Please add additional comments about the Eye project, including any tips you think we should consider if we do this project again next year.
