

Name _____

Protists Data Sheet

Euglena

Drawing	Describe how it moves	Other observations (color, shape, etc...)

Paramecium

Drawing	Describe how it moves	Other observations

Name _____

Volvox

Drawing	Describe how it moves	Other observations

1. How do Euglena compare to volvox? (1 similarity and 1 difference!)

2. How does Euglena move differently from Paramecium?

3. Each has structures that they can use to move that we can't see. What do you think they look like? **Draw them below.**
