

# The Four Errors

## “Not permitted to register at this time”

This means you applied to the university with the wrong admission application or the wrong semester (either new freshman or early college). You must go fill out another admission application making sure you choose concurrent enrollment for Fall 2018. Do not pay the admission cost again, click pay later. Wait 24-48 business hours for processing.

## “Prerequisite test score error”

High school needs to send transcripts to the admission office

## “An Exception has occurred”

You were not admitted as a concurrent enrollment student for Fall 2018. You need to apply as a concurrent enrollment student for Fall 2018. Don't pay the admission fee again, click pay later.

## “Server error message”

Please click 'Browse by Subject' in the flex reg system, rather than entering CRN into search box.
