Employment and Graduate School Programs

I have accepted a job for after graduation or will stay in my current job	46	53.49%
I have been accepted by at least one graduate program	36	41.86%
None of the above	4	4.65%
TOTAL	86	100.00%

Methodology: Students were surveyed in April/May 2017 with an initial email and several reminders. Follow up survey was sent to all graduates in January 2018 with initial email and several reminders. Response rate as of March 29 2018: 112/263 responding. However, 26 of those 112 only responded to 1st survey and not 2nd survey so we did not include them in report since we do not have current information. Therefore, our knowledge rate of graduate outcomes as of March 2018 is 33% (86/263 responding)
