Request For Access To Public Records

USD 512 Shawnee Mission

In accordance with the Kansas Open Records Act (KORA), it is declared to be the public policy of this school district that public records shall be open for inspection unless such information or its use is protected by this act. Public records are defined as "any recorded information, regardless of form or characteristics, which is made, maintained or kept by or is in the possession of any public agency" [KSA 45-217(g)]. Records that don't exist are not subject to KORA nor does KORA require that a record be created to respond to requests or to answer questions asking for "information" [A.G. Opinion No. 98-51]. This form shall be completed by the requester to seek access to public information. Requests for access to public records shall be acted upon no later than the end of the third business day. If access is not granted within the three business days, the custodian of public records shall give an explanation of the cause for delay and the date, place and time the information will be available.
