

PARENT HOME ACCESS CENTER

Aeries SIS Portal gives authorized Parent/Guardian(s) the ability to view their student's progress grades, attendance and any assignment information through a secure webpage on the Internet. This secure access requires an Internet connection and a confidential verification pass code issued to each authorized user by the student's school.

To access your student's information:

1. From an internet browser navigate to our District web site at www.lodiusd.net
2. In the Quick Links section, click on the Parent link.
3. On the Parents page, click the Home Access Center link.
4. Click on the Aeries SIS Portals icon (picture).
5. Enter the secure login information when prompted:
 - Your email address (to be supplied by parent/guardian)
 - Your password (to be supplied by parent/guardian)
 - Your Student's ID number
 - Your Student's Home Phone Number
 - Your Student's verification pass code
6. If you experience difficulty or have any questions about this service, please contact the school.

Considerations:

- *Aeries SIS Portal login information is confidential – please do not share it with unauthorized people.
- *Students have their own personal login to the Aeries SIS Portal – please **do not** share yours with them.
- *Assessment grades may be calculated in a variety of ways. Please refer questions related to grading to your student's teacher.
- *For login assistance or technical difficulties please contact your student's school office staff.
- *Misuse of this account may result in denial of access.

Note:

If you completed these steps and created your home access password last year, at any Lodi Unified School, your password will remain the same and you will not need to follow these steps. If you are new to Lodi Unified, please be sure to follow these instructions in order to access your students grades, attendance and homework online.
