

Traffic has been and will continue to be a problem at Herfurth. We have over 650 students. More students are dropped off than ride buses. Traffic is a problem at most elementary schools. We do our best to make it as painless as possible. Here are some helpful tips.

- School starts at 8:00. Don't wait until 7:55 to drop your child off. It is very congested at that time. The doors to the school open at 7:30 and your child can wait inside at that time.
- Please **DO NOT** drop your child off on the east side of the building. That is for buses and day care buses only. It is not safe to drop your child off on that side. It also causes back-ups onto Miller and makes it difficult for the buses to get in.
- If you need to come inside with your child please use the parking spaces in front of the building, to the east of the building, or across the street at the church. **DO NOT** leave your car unattended in the drop-off lane.
- DO NOT** drop your child off in the center lane or the lane next to the row of parking spaces. It is too **DANGEROUS!!**
- If the drop-off lane next to the curb is packed please circle around to the back of the building. This allows more cars in the entrance and doesn't block Miller Road. **PLEASE** do not cut in front of others who have been waiting patiently in line.

Keep in mind that your child's safety is of the utmost importance. Help us keep all of our Herfurth students safe. Thank you!!
