

Community Eligibility Provision (CEP)

July, 2018

Dear Lodi Unified Families,

We are pleased to inform you that Lodi Unified School District will be implementing a new option available to the following schools participating in the National School Lunch and School Breakfast Programs called Community Eligibility Provision (CEP) for the 2018-2019 school year.

The **GREAT NEWS** is that **ALL** students enrolled at the following schools are eligible to **receive a healthy breakfast and lunch at school at NO CHARGE** to your household each day of the 2018-2019 school year.

Clairmont Elementary School
Creekside Elementary School
Delta Sierra Middle School
Henderson Community Day School
Heritage Elementary School
Lawrence Elementary School
Live Oak Elementary School

Needham (Clyde W.) School
Oakwood Elementary School
Parklane Elementary School
Sutherland Elementary
Turner Academy @ Tokay Colony
Wagner Holt Elementary School
Westwood Elementary School

Your child(ren) will be able to participate in this meal program without having to pay a fee or submit a meal eligibility application.

We are asking that you complete the Household Family Survey, which is needed for administrative purposes, not to determine eligibility. This survey allows your school to benefit from various State and Federal supplemental funding and programs such as Title 1, At Risk After School Programs and E-Rate programs. This survey is critical in determining the amount of money the school receives from a variety of supplemental programs. We are asking that you please complete and submit the survey online at www.Incomeform.com or return the attached Household Family Data Form **before August 31st**. All information on the survey is confidential and without your assistance, the school cannot maximize utilization of available State and Federal funds.

School meals are a great value and a huge convenience for your families. We look forward to welcoming your children to the cafeteria this fall. If we can be of any further assistance please contact us at 1-888-287-5873.

Sincerely,

Nancy Rostomily

Su hijo(s) podrán participar en el programa de comida sin tener que pagar por ella ó someter una solicitud de elegibilidad para comidas.

Le pedimos que complete la Encuesta Familiar, la cual se necesita con fines administrativos, no para determinar elegibilidad. Esta encuesta permite a su escuela beneficios de varios fondos y programas suplementarios Estatales y Federales como "Title 1", "At Risk After School Programs" y "E-Rate." Esta encuesta es critica para determinar la cantidad de dinero que la escuela recibe de una variedad de programas suplementarios. Le pedimos por favor complete y someta la encuesta en linea a www.Incomeform.com ó regrese el Formulario adjunto de Datos Familiares **antes de Agosto 31**. Toda información en esta encuesta es confidencial y sin su ayuda, la escuela no puede maximizar la utilización de los fondos Estatales y Federales disponibles.

Las comidas escolares son de gran valor y comodidad para sus familias. Esperamos dar la bienvenida a sus hijos este nuevo año escolar. Si podemos ser de más ayuda por favor llame al 1-888-287-5873.

Sinceramente,

Nancy Rostomily
