California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Ellerth E. Larson Elementary School was named a 2008 California Distinguished School, and was recognized for its outstanding academic program and strong student achievement by State Superintendent Jack O'Connell in May, 2008. The home of the Larson STARS is located in the southwest section of the city of Lodi, and built during the 2004-2005 year using Measure K funding. The school opened for the first time on August 1, 2005 to initially serve approximately 600 students in grades TK-6 in 2005-2006. The school follows Lodi Unified's Modified Traditional calendar, and there is a full time principal and vice principal, 30 full-time regular classroom teachers, 3 Special Day special education teachers, a full time RSP teacher, 1 full time and 2 part time physical education teachers and 1 full time and 1 part time classroom music teacher, and a part time instrumental music teacher for students in grades 5 and 6.

At Larson School we are committed to every aspect of our founding mission statement with our entire learning community joining hands in our work together to develop independent, lifelong learners and productive citizens. We have a shared belief that every student should have the opportunity to be academically challenged and learn at his or her own level. We have high expectations for all students and staff, and we are devoted to differentiating instruction to meet the learning needs of every child.

Currently we have approximately 800 students enrolled at Larson School. Grades TK-3 have a student-teacher ratio of 24:1 and Grades 4 -6 have a student/teacher ratio of 30:1. Other services include: a full time resource specialist, speech and language teacher, a one day per week counselor, a part-time psychologist, and a one day per week nurse. Programs offered at the school include: a library with identified accelerated reader series books, a developing literacy library for literacy acquisition, 1:1 Chromebook devices for each student in grades TK-6, and a cluster-grouping Gifted and Talented Program for students in grades 4-6. All classrooms are equipped with LCD projectors or Promethean Boards to enhance student learning by sharing classroom grade level curriculum with the use of the computer and various technology equipment.

Larson School has an active PTA with volunteers who offer their time and energy to support programs for Larson students. With more than 15,000 volunteer hours logged in 2016-2017, parents, grandparents and community volunteers are true partners and supporters in the learning process. Volunteers work in classrooms assisting teachers and students, promote various programs such as the Birthday Book Club, as well as maintain ongoing fundraising efforts, and student-centered, extra curricular activities/incentives. A true partnership exists between the staff, parents and students at Larson Elementary.

Mission Statement

Larson Elementary is a safe school climate in which critical thinking and lifelong learning are emphasized, developed, and nurtured for students and staff alike. This includes the expectation of high standards for all students, allows for risk taking, and results in confident, caring, and productive individuals who strive for excellence in all that they do. We also support and respect cultural diversity of all types as well as students with a variety of special needs.

Our school wide emphasis is to focus on successful, effective programs for all students, especially in the area of literacy, and to foster a positive, cooperative effort between home, school and the community.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Year Built 2005.

MAINTENANCE AND REPAIR:

The Larson School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2012 re-painted exterior tilt-up concrete walls and entire outside of school.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Ellerth E. Larson on 10-13-17.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2017, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Ellerth E. Larson. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Mathematics (grades 3-8 and 11)	50%	47%	31%	33%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parents who wish to participate in Ellerth E. Larson Elementary's leadership teams, school committees, school activities, or become volunteers may contact the Principal Leslie Maldonado at (209) 331-8391.

Parents are encouraged to become active members of the Larson PTO (Current membership is 350 parents) and the English Learner Advisory Committee. Information about school events and the ways parents can become involved at Larson is shared through phone calls, emails and flyers sent home. It is an ongoing goal of Larson School to continue to provide strong school to home communication via the following:

- Monthly teacher newsletters to share classroom curriculum and ways parents can work with students at home.
- Weekly information updates from the principal with upcoming events sent home every Friday ("Friday News").
- Special flyers sent home.
- Use of Blackboard automated phone information for reminders and updates on important parent information.
- Larson School's website at: www.lodiusd.net.

School Safety Plan (School Year 2017-18)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied, and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 4/4/2017.

Professional Development

Lodi Unified School District is committed to supporting school district staff through quality professional development. Teachers receive professional development each year. A variety of data is used to determine the focus of staff development in Lodi Unified School District. Data from state assessments, district assessments and teacher surveys assist us in identifying areas of concentration. Our current focus is on common core in mathematics and English language arts, social science, core practices, assessment, and technology. Our goal is to continue to have a highly trained professional staff that supports the success of all students in the classroom. We provide several programs and a variety of strategies to allow staff full access to training.

Teacher Induction Program (TIP) is available to newly credentialed teachers through the district. Teachers participate for two years in workshops, trainings and work closely with an assigned mentor teacher. Non-instructional personnel are offered training in technology, budget, and job specific content. Many Paraprofessionals take advantage of district offered training. Instructional coaches are available to work with staffs on-site in their classrooms as well as through district sponsored events.
