Students must register new vehicles prior to parking on campus.
3. **Liability:** Students who choose to drive and park on BHS campus do so at their own risk. **The Northshore School District and BHS are NOT responsible for lost, damaged, or stolen property.** Vehicles need to be secured to protect the sticker and personal items.

Students, other than those who depart for special off campus education, must have an excuse slip from the Attendance Office before they may depart campus during the academic day. **Parking lots ARE NOT OPEN TO STUDENTS DURING THE DAY other than as specified above.** Vehicles ARE NOT to be used as lockers.
5. **Parking Courtesy:** Vehicles are to be parked within designated (lined) spaces. Care must be taken to avoid blocking adjacent parking spaces and/or fire and traffic lanes. Student who park in these areas without a valid Washington State handicapped parking hanger will be fined the maximum penalty.

Searches of student cars parked at BHS

Any search of a student must be reasonably related to the discovery of contraband items or other evidence of a student's violation of the law or rules governing student conduct.

Once reasonable grounds for search of student's clothing, personal effects, desk, locker, storage area or **AUTOMOBILE** have been established the principal or designee shall have an additional administrator or staff member present as a witness during the search.

If evidence of a violation or district rules is suspected and if the student refuses to cooperate in a personal search, the student should be held until the student's parent or guardian is available to consent to the search.

By registering to park at BHS student's cars may be subjected to be searched if there is a suspicion of contraband items.
