California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2011 Modernization was completed by renovating multi-purpose, kitchen, site work, & classroom additions. 2013 Added a P.E. track & path of travel. 2014 Replaced flooring in various rooms and restrooms. 2015 Prop 39 lighting retrofit & HVAC controls completed. 2017-18 Parking/Drop-Off improvement project.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Lockeford Elementary on 10-13-17.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. As of October 2017, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lockeford Elementary. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	27%	25%	31%	33%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Opportunities for Parental Involvement (School Year 2017-18)

Parents who wish to participate in Lockeford Elementary's leadership teams, school committees, school activities, or become volunteers may contact Principal Michael Rogers at (209) 331-7214.

Our School Site Council, Parent-Teacher Association, English Language Advisory Committee and other parent and community volunteers have assisted in developing and providing a strong support system for the education of all students. Each year parents are invited to join any or all of these organizations. A bi-annual/annual parent survey is sent home to all families, which is used for program improvement and safety suggestions. The staff and school community has developed a strong partnership in the education of the children and together have achieved tremendous academic gains and consistently improve on our academic and social events.

Professional Development

Lodi Unified School District is committed to supporting school district staff through quality professional development. Teachers receive professional development each year. A variety of data is used to determine the focus of staff development in Lodi Unified School District. Data from state assessments, district assessments and teacher surveys assist us in identifying areas of concentration. Our current focus is on common core in mathematics and English language arts, social science, core practices, assessment, and technology. Our goal is to continue to have a highly trained professional staff that supports the success of all students in the classroom. We provide several programs and a variety of strategies to allow staff full access to training.

Teacher Induction Program (TIP) is available to newly credentialed teachers through the district. Teachers participate for two years in workshops, trainings and work closely with an assigned mentor teacher. Non-instructional personnel are offered training in technology, budget, and job specific content. Many Paraprofessionals take advantage of district offered training. Instructional coaches are available to work with staffs on-site in their classrooms as well as through district sponsored events.
