**BUS ROUTE FREEZE**

In an effort to create and sustain an efficient transportation program, bus routes are created and then do not change. **Routes will be determined using bus registration information received by July 20, 2018. Late registrations or new student registrations will be added to existing routes. Routes will not be altered until after September 15, 2018, if needed.**

I understand that by signing this registration agreement for bus service with First Student during the 2018-2019 school year, I am agreeing that my child must conform to all District and First Student rules and regulations. I understand that I am contracting school bus service for the entire School Year (August 2018 – June 2019). All cancellation refund requests will be reviewed on an individual basis, with refunds processed at the discretion of the District 27 Business Office. Refund amounts are prorated on the date that the request **AND** bus pass are received at the First Student office. There are **NO EXCEPTIONS** to the refund rule. All installment payments are to be made on or before November 16, 2018. There will be a \$64.00 handling charge for NSF checks. I further understand that my child's riding privileges may be revoked if he/she engages in one of the following: transferring his/her bus pass to another student; insubordination or verbal abuse directed towards a driver; vandalism to which I accept responsibility for the cost of repairing any damages. **Further, children are subject to discipline referral to building principal for any conduct deemed inappropriate on the bus.**
