

When you're on a college campus, it is a great idea to slow down, take it all in and ask a lot of questions.

Ideally, you'll want to talk with more than just the admission staff. Stop a few students during your visit and ask them what they like and don't like about their school. If you can talk to a professor or two, take the opportunity to ask them what they enjoy about their job. Here are a few questions you can ask while you are on a college visit:
