August 29th First day of School!

Dear Student and Parent/Guardian,

On behalf of the faculty and staff I want to welcome you to the 2018-2019 school year! We are excited about the upcoming school year and looking forward to making this year a successful one for all of our students. The education of young people should be a team effort involving a collaborative partnership between the school and parents. We are very much looking forward to working closely with all of our students and families to assure a quality educational experience for all of our kids and their families at Northwestern.

The high school experience provides young people with the wonderful opportunity to discover their unique interests, talents, and gifts. Northwestern Regional High School offers a large variety of clubs, music programs, academic groups, organizations, and teams that can enable our students to explore new things to learn more about themselves. We encourage all of our students to get involved and try something new!

High School is unlike any other time in your life. Study hard, challenge yourself, set high goals for yourself and have fun! We are very fortunate to have a great school with great students and teachers. Make the time you spend in high school some of the most important and productive of your life.

To be a *Highlander* is to be a part of something truly special. Northwestern Regional High School is a school where everyone is valued. We embrace diversity in all of its forms and recognize that every person in our school, student and adult, has something unique to offer our learning community. If you take the time to get to know your fellow students and your teachers well you will form relationships with your friends and teachers that may last a lifetime. Please know that the faculty, staff, and administration are very excited and looking forward to working with you and helping you along your journey. We want to be a part of your success. Let's work together to make Northwestern the very best school it can be. Along with the faculty and staff, I wish you an exciting and successful school year.

Sincerely,

Kenneth L. Chichester
Principal

New Faces At Northwestern Regional High School

Gabrielle Robertson - English Teacher, is a recent graduate from Sacred Heart University with a Masters of English Education. Her mission as an educator is to make learning purposeful, so that students can confidently take ownership of their knowledge. A capable educator, with a thorough grasp of pedagogy, classroom management, and current state standards. She is a positive person who strives to make educational goals accessible to all of her students and imbed useful learning strategies into her lessons. It is with enthusiasm we welcome Gabby.

Christine Mitchell - Art Teacher, is also the Director of Education for the American Mural Project in Winsted. She has extensive experience working as an art teacher in a variety of settings, most recently in Hartland School and as an art therapist in therapeutic programs for children. You will find her to be inspirational, energetic and forward thinking. Welcome Christine.

COMMUNICATION WITH PARENTS

Communication is an important aspect of successful education. Below is a description of the numerous ways in which parents and staff may keep in touch:

Mailings – Parents will receive several mailings throughout the year to inform them of upcoming events and changes in programs and policy which may occur.

Newsletters (4) – On our Website www.nwr7.com mid-summer, fall, winter, spring

Open House – High School *Open House* will occur **September 13, 2018**

Agenda – Students use this booklet as an organization and communication tool.

E-mail – All staff have e-mail addresses. The address consists of the person's first initial, last name, plus "@nwr7.org". For example, Principal, Kenneth Chichester e-mail address is kchichester@nwr7.org

Voice mail – When not available, you may leave a voice mail message, and the person will return your call as soon as possible.

School Web site – www.nwr7.com

School messenger – receive phone, email notification from the school

PowerSchool – link off main Web site page

Haiku- homework – link off main page web site

Note: The school calendar is updated on a **daily** basis; to access the calendar online www.nwr7.com you can select calendar: Middle School, District/BOE, High School, Athletics.

Please Note

Often times our school and students are featured in the local newspapers, and occasionally on television. Please be aware that our practice with the media has been to allow students to be photographed and videotaped. Please call our office 379-8525 if you do **not** wish your child's photo to appear in the newspaper, or to be televised. Thank you.

It's the law!

Please be reminded that all drivers are required by state law to **STOP** whenever school buses have their lights flashing and **STOP** arms extended. Failure to do this may result in a fine of up to \$425. For passing a bus with their lights flashing and stop arm extended. This law applies to school yards and parking lots as well as to roadways. Thank you for keeping our students safe.

☎ Telephone Messages ☎

Please remind your students that the use of cell phones is restricted during the school day. If a parent has an important message for their son/daughter, they should contact the appropriate House Office, preferably before 1:00 p.m. After 1:00 p.m., it may become difficult to deliver the message before the end of the school day.

☎ School Absence ☎

When a student is absent from school, the parent or guardian is requested to call the House Office. If a phone call is not received, the House Secretary will attempt to contact the parent or guardian. Students whose parents or guardians have not confirmed the absence by telephone are expected to present a written excuse to the House Secretary upon returning to school. A student eighteen years or older and not living with a parent or guardian must present a written excuse directly to the House Secretary upon returning to school. Any absence not documented will be considered unexcused. The Housemaster may require written documentation from the student's physician validating the dates of the illnesses.

Partial Days

It is sometimes necessary to have a partial day due to weather events or to accommodate professional learning experiences for teachers. Please be sure to have your child attend classes on these days as our teachers continue moving forward with the curricular material.

✍ Homework Requests ✍

The House office will honor homework requests for students who are absent from school for two or more consecutive days due to illness. Requests should be made to Mrs. Donna Williams House 2 secretary or Mrs. Denise Melanson House I Secretary by 9:00 AM on the second day of absence.

WORKING PAPERS

Working papers may be obtained in the Main Office on any school day and throughout the year. The State of Connecticut requires:

- 1) Written promise of a job from the employer describing exactly and specifically the nature of the job; hourly rate of pay, and hours of employment.
- 2) Evidence of age such as a driver's license or birth certificate, official school records can be used (if currently attending NWR#7).
- 3) Student requesting working papers **must** be present.

Upon change of employment, a new "promise to employ" form must be completed by the new employer and brought to the Main Office. A copy of the original working papers is kept on file in the office. A new copy will be issued.

REMINDER

Parents /Guardians are asked not to drop off their children at school before 7:15 a.m. because there is no one available to supervise the students. Drop off is in the back of the school (where the track is) as not to impede bus traffic.

A detailed explanation of Region 7 health services and required forms is available on the district website. www.nwr7.com

Immunizations

All students must present proof of immunizations from a physician or local health agency upon enrollment in Region 7. If the student is not immunized due to medical or religious reasons, a notarized statement from a physician and signed by the physician and the parent must be provided. Forms are available on the web site.

7th graders:

The State of CT mandates that ALL 7th graders present proof of immunizations *before the START* of the 7th grade year. Region 7 will use the 6th grade physical exam submitted to the elementary school for documentation of mandatory 7th grade immunizations. If you did not submit a 6th grade physical, you will need to present proof of up-to-date immunizations before the end of July. In accordance with CT State law, your child *will be excluded* from 7th grade until this requirement is met.

Physical Examinations

NWR 7 Board policy examination (C.G.S. 10-2045a) mandates that all students must present evidence of a physical:

1. Upon enrollment to the district
2. 6th grade (submitted to the elementary school)
3. 10th grade

CT Health Assessment Record (Blue) Form must be completed in its entirety to include vision, auditory & scoliosis screenings. Camp physicals will not be accepted.

All 10th grade students must submit the physical *before the end* of the 10th grade academic year. In accordance with CT State law, your child *will be excluded* from 11th grade until this requirement is met.

Physician Notes

In keeping with FERPA guidelines for confidentiality & privacy all medical notes must be brought/faxed directly to the Health Office. The nurses will communicate any restrictions to the appropriate staff.

Student Health Emergency Information Forms

This confidential medical information, held on file in the health office, helps us provide for the health and safety of your child. These new “pink” forms must be completed upon entry to NWR7 and updated by the parent/guardian at the beginning of each new school year.

If you indicate that your child has asthma that requires a rescue inhaler or that they have a life-threatening allergy that requires an Epi-Pen, you MUST provide both the medication and a physician-signed Medication Administration form that is also signed by a parent. Without these medications and forms, your child will be excluded from all field trips.

Students with Asthma should have an Asthma Action Plan filled out by doctor.

Students with life threatening allergies should have Allergy Action Plan filled out by doctor.

Administration of Medication in School

Nurses must follow CT State law and Board of Education policy re: the administration of medicine to your child. Only FDA medications will be administered during school hours if the desired effect cannot be achieved outside school hours.

1. All medications, including emergency self -carry medications, will be administered only with the following:
 - a. Completion of a NWR Medication Administration Form (available on district site), signed by an authorized prescriber and written authorization of the parent.
2. Medication orders are valid for one academic year.
3. Verbal authorization/request by parents is **not** permitted by law
4. All medications must be brought to the health office by an adult with the exception of emergency medications which may be transported by the student:

- a. Epi pens, Inhaler & Insulin supplies
5. Students who self -carry these emergency medications must have them on their person at all times in case of an emergency (i.e.: a lock down, fire drill etc.)
6. Parents are encouraged to provide a backup medication available in the health office.
7. Standing order for Tylenol, Ibuprofen or Tums is available through the district physician. Parents must complete the (purple) permission form in order for their child to receive medication.
8. All medication will be dispensed in the Health Office only.
9. Parents must pick up all unused medication within one week of the end of the school year, otherwise the school nurse is legally obligated to destroy it.
10. By law, parents MUST pick up all controlled substances at the end of the academic year.

Field Trips

Student must have an updated Health Emergency Form on file in health office. Those who self- carry inhalers, epi pens, or diabetes supplies are expected to bring their medications from home for field trips. If this form is not on file, or medications are not available, your child will be excluded from field trips for their own safety

Sports Participation

Sports registration is handled electronically through Family ID. To facilitate the eligibility validation process parents should complete the registration form a minimum of **two weeks prior to the tryout dates**.

Please be advised registration does not confirm eligibility. The following items are required:

1. A physical that is less than 13 months old on file in the Health Office
Physicals may be uploaded electronically through Family ID, mailed or delivered directly to the Health Office.
2. No current physician-imposed restrictions from previous injuries or conditions
A note for the primary care provider is required to provide clearance from a current injury of condition to resulted in exclusion from sports
3. Those with history of concussion must have on file in the Nurses Office a physician note clearing the concussion, and have completed the return to play protocol with the Athletic Trainer.

You may use Family ID at any time to check for when your physical expires. You will also get an email from Family ID 60 days in advance of the expiration date of your physical.

Illness or Injury

If a student becomes injured or ill in school, he/she should report to the Health Office. The nurse will evaluate the child and contact the parent if necessary. Students must not leave the building because of illness/injury without authorization from the school nurse, as this may result in an unexcused absence.

The following guidelines should be helpful to you in determining if your child should be in school:

1. Fever free (less than 100.0) for twenty-four hours before returning to school.
2. No episodes of vomiting for 24 hours.
3. No active communicable and/ or contagious infections
4. On antibiotics for 24 hours before returning from a communicable infection

Requirements for Return to School after Surgery or Serious Illness/Injury

Students returning to school after surgery or a serious illness, concussion, or hospitalization must provide a note from a physician indicating clearance to return to school.

1. The note should include any restrictions (i.e.: no physical education) or required accommodations (i.e.: elevator use). Continued restrictions must be updated by the physician.

NORTHWESTERN GYMNASIUM**

Attention Fall Athletes

High School sports programs begin their practices before the first day of school. All updated sports physicals must be at the Health Office by Thursday **August 9, 2018**. We require the State blue form to participate in our sports program. The form can be down loaded from our web site or be obtained from the Athletic or Health Offices. The form will be reviewed for completeness (dates, signatures, restrictions, etc.) before it can be entered on the athletic eligibility list. Coaches will receive the eligibility list on Thursday at the athlete/coach meeting in preparation for the Thursday initial practice. **DO NOT WAIT UNTIL TUESDAY, AUGUST 21st TO HAND IN YOUR SPORTS PHYSICAL!** If the student athlete's name is not on the eligibility list, the coach cannot allow them to participate. Hundreds of sports physicals arrive over the summer to be reviewed and processed. Late physicals may not be processed in time for the first practice. If you are unsure of physical dates or eligibility requirements, please call the Health Office at 379-8525 ext. 2618.

First Practice Dates

F all 2018

Team	Date	Time	Site
Boys JV & V Soccer	Aug. 23	5:00pm-7:30pm	Northwestern
Girls JV & V Soccer	Aug. 23	5:00pm-7:30pm	Northwestern
Girls Volleyball	Aug. 23	12:00pm-3:00pm	Northwestern

Football	Aug. 13	TBD	Gilbert
Field Hockey	Aug. 23	3:00pm-5:50pm	Northwestern

Students wishing to be a member of a team must attend the first day of practice.

Football conditioning starts on **August 13, 2018**. If your sports physical expires prior to that date you will not be allowed to participate until it is updated. It must be on file in the Nurses Office by noon on **August 2, 2018** for football and **August 9** for all other fall sports. The eligibility list will then be given to the coach. Coaches do not accept sports physicals. They need the permission form for you to participate. There are hundreds of forms that come in over the summer that need to be reviewed and processed. When you drop off your physical form please mark in **BOLD** that it is for football so that it can be processed in a timely manner. If you turn in your physical form late you need to bring it to the school nurse and if the form is **complete** you will get an eligibility card.

We are having parents of student athletes register their child online. Go to the <http://www.nwr7.com> then under Athletics it will show "online registration". Any questions contact FamilyID at: support@familyid.com or 888-800-5583 x1.

For all your current athletic information please go to www.nwr7.com link to Athletics or contact Fred Williams, Athletic Coordinator at (860) 379-8525 ext. 2700 or fwilliams@nwr7.org

THE NORTHWEST COMMUNITY BANK BRANCH AT NWR7

One of the most important things young adults can do for their financial futures is to learn to save money and have that money work for them. Northwest Community Bank offers the perfect vehicle for the young adult to use to start that savings habit and build toward their financial futures. It is called “**The Student Savings Club**” targeted for savers between the ages of 2 to 21 who attend a public school or accredited institution at the high school or college level. This account has a special interest rate of 5% for balances of \$1,000 or less. This is a great way for students to earn a little bit more interest on a savings account and get them in the habit of saving money. If young adults learn to save their money today, someday it will return the favor.

Northwest Community Bank also offers a special checking account for 18 to 35-year-old adults called “**GoChecking.**” This account offers free checks, free debit card, free online banking and BillPay, free ATM transactions (no NCB charge for other ATM withdrawals), free mobile banking and free eStatements. The minimum deposit is \$50 to open this account.

HIGHLANDER FAIR-

The Annual Highlander Fair will be held on **September 13, 2018**, in the cafeteria from 5:00 to 6:30. This is a Fair where the community and our school come together to showcase the best of both worlds! School groups, clubs and teams have booths where students can sign up for events or sell fundraising products. Community businesses and vendors are also on hand displaying their products or providing their services. Caps and gowns will be measured and class rings will be available for purchase. Yearbooks and Memory Ads will be available for sale. Food and beverages are available for sale, as well. This date is also the date of the **High School Open House which starts at 6:30**.....so come to the Fair before going to Open House, grab a bite to eat and see what the Highlander Fair has to offer!

Project Graduation – 2018 Another Huge Success!!!

Project Graduation 2018 was a huge success! A very high percentage of the Class of 2018 were in attendance and had a great time. It is hard to believe, but our largest fundraiser, the Silent Auction, is fast approaching. The Auction will be held on Saturday, October 20th Please save the date!

More information will follow regarding our first meeting date and details about the Auction.

NATIONAL HONOR SOCIETY

We had another productive year in 2017-2018. We welcomed 52 new members into the National Honor Society at our induction ceremony on November 28, 2017. Many of our seniors participated in the Farmington Watershed Association's river cleanup day in the Fall. NHS students participated in the Pennies for Patients fundraiser for the Leukemia and Lymphoma Society and held two bake sales raising \$1,000 for this charity. Our most successful event was the annual walk which raised over \$1,500 for the schoolwide initiative to build a well in South Sudan. Over 100 students and members of our communities walked to raise money for this worthwhile cause.

CONTACTING TEACHERS

Teachers at Northwestern Regional High School can be contacted in a variety of ways:

- Through your child's School Counselor or House secretary.
- All teachers at Northwestern have been equipped with a personal voice messaging system. The teacher voice mail can be accessed through the main number 860-379-8525.
- All teachers also have the capacity for access through direct email. Email addresses follow this pattern, first initial last name @ nwr7.org; example: kchichester@nwr7.org
