CLASS RANKING

EIC
(REGULATION)

SKY Partnership High
School Program

In the SKY Partnership High School Program, Northbrook High School (NHS) and YES Prep NHS will calculate class rank separate and apart from each other. NHS students will follow the SBISD methodology for determining class rank in the general NHS student population. YES Prep NHS students will follow the YES Prep methodology for determining class rank in the YES Prep NHS program.

For the purposes of Texas Education Code § 54.301, a student from each graduating class of NHS shall be named highest ranking graduate and a student from each graduating class of YES Prep NHS shall be named highest ranking graduate. A tie will be allowed between the two students for the honor. Both students shall be awarded the honor graduate certificate and declaration.
