

## **MEMO TO PARENTS REGARDING STUDENT INTERVIEW/PHOTOGRAPH/VIDEOTAPE**

Dear Parents,

Part of the communication efforts of the Davis School District and your child's school is to let the general public know about the educational activities occurring within the walls of our schools.

Because of that effort, we often invite reporters to the schools to cover educational activities and events. There are also times when reporters contact the district or the school regarding a story. Anytime the media wishes to highlight work or activities within our district or schools, we work with them so they can accomplish their job and so our efforts or viewpoints can be communicated.

The main focus of education, of course, is students, and during the vast majority of time, the media will want to focus on students as the subject of their stories.

For that reason, we are seeking your permission ahead-of-time for your student(s) to be interviewed, photographed or videotaped in the event such an opportunity surfaces during the school year.

If you **DO NOT** want your student to be involved in media coverage — be photographed, interviewed or videotaped by the media — please **DO NOT** electronically approve this form, **Please note**, your permission will be assumed if you electronically approve this form.
