

**Co-Curricular Code of Conduct Summary  
Elmbrook School District**

<b>Academic Expectations</b>	
<p>A student must meet school and DPI requirements defining a full-time student and can have received no failing grade (including incompletes) in the most recent grade-reporting period. Incomplete grades are counted as failing grades when determining eligibility. Ineligibility during the first (3-week) and second (6-week) reporting periods of each term can be resolved immediately upon receipt of evidence that the student is passing all courses. Ineligibility following the final (9-week) term grade will result in a 15 school day suspension as mandated by the WIAA. Following that period students must show evidence that they are passing all current courses before they are allowed to compete or perform.</p>	
<b>Attendance Expectations</b>	
<p>Students are expected to be in school if they plan to participate in after school events. Any student not in attendance for any part of the school day will not be eligible to participate in after-school activities on the day of contests, games, and performances. An administrator must approve exceptions in advance. If a student participates despite the attendance requirement, that act will be considered a violation of this code and will result in a category I consequence. Participation in a practice in after school activities when a student is not in attendance for any part of the school day is up to the parent, student athlete and coach to decide based on an individual bases.</p>
